

Region 17 Select Stallion Auction & Futurity Report March 2014

2014 Auction

To date, there are 8 Nominated Sires listed for this year's Auction and several more are committed. The nomination deadline is May 1st and the bidding starts on June 1st. The sooner the stallions are listed, the more exposure we can give them. We intend to keep the auction above the horizon with ads and regular updates to the Facebook page.

We appreciate any assistance the clubs can give to the Auction Committee by including our ad in their prize list or show program or putting it up as a poster in the show office. Contact Wendy at wendydon@shaw.ca to get a copy of the current ad if you have not received it.

2014 Futurity Classes

There are 17 eligible yearlings that can share the available purse of \$6,142.50 in the Halter Futurity to be held this July. The breeders will all be sent a reminder to bring out their yearlings! The prize money will be divided evenly among the classes with entries, and any prize money not awarded will be added to the Performance Futurity purse for this foal crop (to be held in 2017).

2015 Futurity Classes

The first Performance Futurity Classes will be held next year for the 2009 Auction foal crop. The purse of \$10,051.02 will be divided between the classes with entries (out of 8 possible); **all** of the prize money will be handed out! The Halter Futurity classes will be for the 2012 Auction foal crop with a purse of \$5,671.50 .
