

Region 17 Select Stallion Auction & Futurity Report

March 2016

2015 Auction

Of the 34 breedings donated for the 2015 Auction, 14 have sold with 3 refunded. Refunds have been sent as 1 stallion was gelded, 1 stallion had to be euthanized and 1 owner learned her vet would not ship semen to Canada. Currently, there are 29 stallions on the Nominated Sires list as another stallion was gelded and 2 have been sold and removed from the program.

To date, the 2015 Auction Fund stands at \$5,275. Breedings that have not yet sold are available until April 1, 2016.

Futurity Classes at the 2016 Regional Show

The Halter Futurity for Yearlings born as a result of the 2013 Auction has a total purse of \$2,599. The purse will be divided among classes with entries. If any of the classes have fewer than 5 entrants, the published percentage for each placing will remain the same, and the remaining prize money will be added to the Performance Futurity division for this foal crop.

The Performance Futurity for 4 Year Olds born as a result of the 2010 Auction has a total purse of \$8,568. All this money will be paid out to the entrants. If any of the classes have fewer than 5 entrants, the percentage will remain the same for those placed, and the remaining prize money will be divided equally among those in the class.

The breeders of the eligible foals will be sent a reminder this spring to get the kids ready to show.

2016 Auction

The Select Stallion Auction Committee has decided to put the 2016 Auction on hold for this year only as our goal for securing donated breedings has not been met. We hope to be more than ready for the 2017 Auction.
